Peter Hughes Diving

Dive Tiara. You expect moments like this when you dive a legend. But still it catches you in mid-breath. At the edge of the wall, where the seafloor falls away, the turtle angles past in startled flight, trailing explosions of silent, silver bubbles. He disappears in the deepening blue. An ancient mystery. A perfect moment in paradise. Nobody makes beam in the Caribbean better than Dive Tiara.

NEW DIVE DOMINICA BOAT

The new addition to Dive Dominica's
fleet is a 36 foot aluminum catamaran,
Arienne. This custom boat has a 22 diver
capacity (or 40 snorkelers). With a
flying bridge and a 13 foot beam, this is
a very spacious and stable boat. It is
powered by twin diesels, has bench
seats with tank racks, a large dive plat-
form, twin ladders, freshwater rinse,
camera rinse tank, head and day stor-
age area.

Arienne carries stereo, VHF, depth
sounder, radar and GPS. She has a
cruising speed of 20 knots.

For more information call (800) 468-
4748 or (800) 544-7631.
